

### **DRAEGER SAFETY - Sales Manager Visit 2007 (Hong Kong, Mar 2007)**

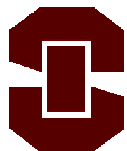

Date: 19-23 March 2007

Venue: Hong Kong

We are pleased to welcome Mr. Klaus Volz, Area Sales Manager of Dräger Safety visiting our Hong Kong customers in this month. Mr. Volz has been working in Germany Dräger Company around 30 years. His professional experiences in Gas Detection Product, Diving Product, Self-Contained Breathing Apparatus and Personal Protective Equipment are valuable. In the meeting with customers from Hong Kong Fire Services Department, Hong Kong Police Force, Hong Kong Water Supplies Department and Hong Kong Productivity Council, Mr. Volz answered a lot of technical questions and provided many solutions in the products application. He let the customers understand what the Dräger professional products are. Thanks again for our customer's valuable time.
