

America Industrial Hygiene Association (AIHA) show 2007 (Philadelphia US, Jun 2007)

Date: 4-6 June 2007

Venue: Philadelphia, USA

The world largest occupational hygiene show was held in Philadelphia, USA, at Jun 4-6,2007. There were more than 500 manufacturers/companies/universities/ to show the monitors for occupational hygiene, personal protective equipment with advanced technology, and technical papers/documents in the same show. The organizer claimed to have professional 7000 visitors to attend the exhibition and conference.

Mr. Tony Leung, our deputy manager, also visited the show and attended some sales meetings from manufacturers. It makes us know innovatively more about the occupational hygiene market and uplift our pre and after services secrecies level to our customers.

Distributors from the worldwide attended the sales meeting to know more about the products and market, as well as selling strategies

The Vice President just awarded the “ Sales achievement in 2006 “ medal to our company.
